Celebrity REFLECTION® | Celebrity X Cruises®

MEET YOUR NEW REFLECTION

YOUR NEW REFLECTION IS ALL CARIBBEAN

Celebrity Reflection® shows you a side of yourself you haven't seen in way too long. The side that smiles a little bigger. Laughs a little longer. And ditches your to-do list for your bucket list. Say hello to your happy side.

The side that makes a splash when a pool day takes you far away from the everyday, and a day at the park brings you closer to Caribbean views. This is how it feels when anytime could be showtime, and date night takes you back to the night you fell in love. When a restaurant is so much more than a meal, and every celebration gives your night a whole new shine.

Meet your new Reflection—and allow us to introduce you to your happiest self ever.
